RE: Alaska Gasline Development Corporation
Question on Proposed Regulations on Confidentiality

Dear Ms. Levinton:

ConocoPhillips Alaska, Inc. submits the following question regarding the proposed regulations on confidentiality issued by the Alaska Gasline Development Corporation (AGDC) on September 18, 2015:

1. What kinds of information is AGDC currently holding as confidential that it would not hold as confidential under the proposed regulations and why?

Thank you for the opportunity to submit questions on the draft regulations.

Very truly yours,

A handwritten signature in black ink that reads "Barbara F. Fullmer". The signature is written in a cursive, flowing style.
