June 13, 2017 JUNEAU—By invitation initiated by the First Lady of the People’s Republic of China, Madame Peng Liyuan, First Lady Donna Walker will be the keynote speaker for the Women and Children Cultural Conference in the Province of Heilongjiang on Wednesday, June 21. All travel, lodging and related expenses for Mrs. Walker and her party will be paid by the Province of Heilongjiang, Foreign Affairs Office.

Alaska and Heilongjiang have had a sister state relationship for over 30 years. The conference is hosted by the Heilongjiang Women’s Federation and Heilongjiang People’s Association for Friendship and Foreign Countries. The Foreign Affairs Office will arrange meetings and social services site visits in addition to the conference.

“Meeting President Xi and Madame Peng was a high honor for Governor Walker and me,” First Lady Walker said. “To have that wonderful visit followed up so quickly with this generous invitation is quite remarkable and we do look forward to building and strengthening our relationship with China which has long been Alaska’s largest trading partner. To have the opportunity to extend that economic relationship into social and cultural arenas is exciting and important. I am grateful to play a small role.”

Madame Peng visited Alaska with her husband, President Xi Jinping on April 7. While Governor Walker and President Xi discussed Alaska’s vast resources, its liquefied natural gas (LNG) export project and other trade opportunities, Mrs. Walker and Madame Peng had an extended conversation about their roles as first ladies and the issues important to them. On May 15, a representative from the Province of Heilongjiang hand-delivered the conference invitation to Mrs. Walker in Juneau, emphasizing President Xi’s priority of strengthening Chinese-Alaskan ties and relationships. In addition to Chinese government officials, scholars and experts, the Walkers’ daughters and daughter-in-law, by invitation, will also speak at the conference as noted below; Mrs. Walker will speak on parenting and on the work of the Alaska Children’s Trust.
