 - C. Petitioners

- IX. DIRECTOR QUESTIONS ON PRESIDENTS REPORT:
 - A. Director Michel: Asked about the opportunity for individual Alaskans to invest in the project under either the consortium track or the single investor track and would both allow for Alaskan’s to invest. President Richards responded that in AGDC’s enabling legislation, is the directive for the Department of Revenue to work on opportunities for Alaskan’s to invest in the project, and while the

mechanism is currently unknown, it is part of the law that generated the Corporation (AGDC) and a key component.

X. PUBLIC COMMENTS:

A. Telephonic:

1. Karl Golke: Commented that Larry Persily had held a meeting at the end of November and Mr. Golke referenced a comment made by Mr. Persily “about British Columbia gas export”. Mr. Golke asked about the factuality of the comment and how it would compete with the Alaska LNG project.

- President Richards thanked Mr. Golke for the question responded that he did not see Mr. Persily’s presentation and was unfamiliar with the comments made about British Columbia gas.

XI. EXECUTIVE SESSION: NONE

XII. BOARD COMMENTS:

A. Director Chenault: Thanked Board members for their participation. Also thanked Rep. Carpenter and Sen. Giessel for their participation.

XIII. ADJOURNMENT: Director Michel made a motion to adjourn. Director Anderson seconded. The meeting adjourned at 09:56 AM.

Warren Christian, Chair
